

How the Green Party of Canada will support the Municipality of Sudbury.

The Green Party will allocate one percent of the GST to municipal governments for “Green Cities” initiatives, ensuring that the funding is to reduce sprawl and greenhouse gas emissions, conserve electricity and water, increase densification, expand convenient, safe, reliable and affordable public transit, and build cycling and walking paths.

The Green Party will also create six Municipal Superfund's of \$500 million/fund/year:

- Community Brownfield Remediation Fund**
- Water and Waste Treatment facilities Fund**
- Sports, Cultural and Recreational facilities Fund**
- Mass Transit Promotion Fund**
- Cycling and Pedestrian Promotion Fund**
- Community Housing Options Promotion Fund**

This support will not only make municipalities greener and sustainable it will also create more jobs to build new infrastructures.
